Looks like EPA folks are free Monday EXCEPT 1-2 pm. If possible, I'd like to avoid 12-1 as well but that's not essential.

Thanks,
Sara

Hi Maryam, I'm sorry I'm not available on Friday can we do it Monday? If you can send me the plan and protocol we can more easily respond to the plan. I can do most anytime on Monday.
Penny

Good Afternoon Penny!

I hope all is well. We would like to set up a call to follow up on the proposed sampling strategy for the Riverside Ag Park. Let me know if this coming Friday afternoon, August 28th at 2:30 PM will work on your end. If not, it would be great if you would or provide some alternate dates and times. Once we finalize our call, I will send a call-in number and an updated map for your team's review consideration. Thank you.
